Graduate Careers in MMP

MMP

Mulcahy McDonagh & Partners (MMP) was established in 1951 and has grown over the years into one of the largest quantity surveying practices in Ireland. With offices in Dublin and Sligo MMP provides an ever-increasing scope of construction cost consultancy services to a vast range of clients in both the public and private sector.

SERVICES

Services include quantity surveying, project management, health and safety consultancy, mechanical and electrical services cost control, whole life costing, due diligence, dispute resolution and many other related services.

TARGETED TRAINING

MMP has a comprehensive training programme tailored to the needs of modern professional development. Regular internal training meetings are supplemented by targeted external courses for individuals giving our graduates the necessary skills and experience to deliver a top quality Q.S. service, and to gain professional qualification at the earliest opportunity.

A focus on pre APC areas of experience and interview techniques ensures that the candidate approaches the APC with confidence of success.

PROJECT TYPE

Examples of recent projects where MMP provided cost management services include:

- ▲ Research buildings for Trinity College Dublin
- ▲ New hospitals at Tullamore and Naas
- ▲ Large residential town centres at Adamstown, Baldoye and Ballymun
- ▲ New civic offices for Fingal County Council
- ▲ Dundrum Shopping Centre
- ▲ New office headquarters fit-out for Vodafone
- ▲ Large distribution centre and offices for United Drug

ALL WORK AND NO PLAY?

MMP has a young and vibrant workforce who can party with the best! MMP soccer team takes part in regular 5 aside and 7 aside competitions against fellow 'professionals' in the construction industry which provides an opportunity for us to socialise with each other and 'the opposition' in a relaxed and friendly atmosphere. MMP Golf Society is three years in existence and grows from strength to strength. MMP encourages and supports staff who participate in YCS activities, charity events and office functions.

Dundrum Centre

IF YOU ARE GOOD ENOUGH YOU ARE OLD ENOUGH

Graduates joining MMP have a tremendous opportunity to be involved in a large range of project types and sizes. Experience can be obtained in insurance claims, project tax analysis, dispute resolution and many more specialist areas. This exposure to a varied workload combined with our structured training programme can lead to a rapid progression for graduates and juniors who have the aptitude and attitude to take responsibility.
